Frequently Asked QUESTIONS

For what age groups are Joey D's Summer Adventure Camps?

Fieldhouse Adventure Camps and *Fieldhouse Adventure Sports Camps* are primarily for children ages 7-14 (with some exceptions detailed in the specific camp descriptions including room for 15-17 year olds in the celebrity and specialty basketball and volleyball camps). *Fieldhouse Pee Wee Adventure Camps* are for children 4-6 years old and our *Fieldhouse Lil' Kickers* soccer based child development program is designed specifically for children 18 months to 4 years of age.

What kind of experiences are offered at Joey D's Summer Adventure Camps?

The *Fieldhouse Adventure* offers a series of traditional and celebrity sports camps along with a wide variety of completely innovative non-sports programs designed to challenge your children mentally as well as physically. It is our goal to create a range of offerings that allow parents to mix and match experiences that will keep their children focused and excited over the course of the entire summer.

What options do I have if I need to drop off my child before camp starts or pick him/her up after camp ends?

Before and *After Camps* are available from 7:00 a.m. - 9:00 a.m. and from 12:15 p.m. - 6:00 p.m. at a cost of \$6 per hour. Advanced enrollment is not required for *Before* and *After Camps* and parents will be charged for time spent at the end of the week (hours are broken into 15 minute increments).

What is the daily schedule for Joey D's Summer Adventure Camps?

There are five basic types of *Fieldhouse Adventure* camps in terms of daily schedule; (i) half day camps that run from 9:00 a.m. - 12:00 p.m., Monday through Friday at the Fieldhouse, (ii) full day camps that run from 9:00 a.m. - 3:00 p.m. Monday through Friday at the Fieldhouse, (iii) roller hockey clinics that run for 2 to 3 hours in the morning or afternoon at Maxx Arena, (iv) *Fieldhouse Adventure Baseball* that vary in times, duration and locations and (v) *Fieldhouse Lil' Kickers Camps* that are for 50 minutes in the morning, Monday through Thursday at the Fieldhouse.

Dear Friends,

Thank you for taking the time to consider one of our Summer Camp programs. We are very excited about our expanded offerings this year which go well beyond traditional sports camps. It was our intent to provide parents and kids with the

opportunity to plan a summer with a broad range of challenges; some physical (over 30 sports camp offerings for basketball, volleyball, baseball, football, soccer and roller hockey), some practical (how to run a restaurant, be an entrepreneur, become a better babysitter) and some just downright outrageous (constructing and racing radio controlled vehicles and creating art projects that are edible to name just a few). We also endeavored to create a program that can assist parents in planning their schedules by providing *Before Camp* and *After Camp* programs that are flexible, cost effective and a blast for the participants.

We appreciate the trust you place in us when you bring your children to us for a Camp experience. We have assembled a terrific team to insure that all of our campers have a fantastic and safe experience.

Yours truly,

Joe Dumars

Before-Camp Program

For working parents, we offer a pre-camp program beginning at 7:00 am each day for campers between the ages of 7 and 14. Campers can get in a round of golf before camp starts, join in on a game of laser-tag or play a relaxing board game.

After-Camp Program

Are you a working parent? Or are you having a hard time tearing your kids away from the Fieldhouse? Our after-camp program has something to accommodate everyone's wants and needs! We are now open from 12:15 pm to 6 pm. Every day of the week offers new and exciting themed activities run by your child's favorite coaches for campers between the ages of 7 and 14.

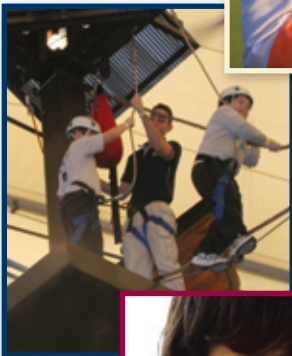

Mondays are Manic with a **Hands-on Fun Day**

Fabulous Fridays are a **Mega Mystery**

Is the suspense killing you? Fridays at the Fieldhouse are filled with options. Every week will be different. Look for clues through out the week by way of themes and clue objects for our end of the week party. It is guaranteed to be fabulous!
