

## Frequently Asked Questions LARGE EVENTS

### **What type of activities do you offer?**

Bayou Golf (miniature golf), Caj'n Cliffs (rock wall), Gator Tag (laser tag), Titanic Slide, Arcade, In-Line Skating, Basketball and Volleyball – plus organized relays with coaching staff (custom built).

### **What is the approximate cost?**

This truly varies. We have accommodated events from \$10.00 to \$100.00+ per person. The price will be determined on the number of guests as well as meal/beverage service. For groups of 300+, our exclusive use options will provide the best pricing.

### **What if the weather does not cooperate?**

All Bayou and hard court activities are covered. The Bayou is covered by a tent-like material and many of the sides can be opened. So, if the weather is nice...you feel like you're outside with no weather worries. Only our sand volleyball courts and outdoor patio and bar are outside. Some groups book our indoor volleyball courts as insurance. Most take the chance, and the only activity they'll miss if the weather is poor is volleyball. Our approved caterers can still accommodate your meal service inside (although they cannot grill inside) by utilizing chafing dishes instead of off-the-grill service. Finally, we will set-up a remote bar indoors if the outdoor bar is not an option.

### **Are our activities exclusive (no one else in the area)?**

You have the option to book your Bayou activities (Bayou Golf, Caj'n Cliffs, Gator Tag, Titanic Slide and Arcade) exclusively. If you do not book these exclusively, please note that for groups of 50+ we will not book other events during your activity time – although, these activities will be open to our walk-in customers. All other areas (courts and seating) are booked exclusively. Space is booked from set-up to the end of teardown. We charge reduced hourly rental rates during set-up and teardown of court space ONLY. Some clients also book surrounding courts for seclusion. Basically, any court(s) you do not book will be occupied with other activities (leagues, walk-in basketball, etc.).

### **What are my meal options?**

Please see our caterer links for meal options. Caterer pricing varies on your specifics. We recommend calling one caterer or all that interest you for a bid. Outside food (other than one of our approved caterers) IS NOT ALLOWED in our facility. Beverage service MUST BE provided by our facility (caterers may provide coffee, hot chocolate and lemonade ONLY).

### **Where to Start**

Large events at our facility are typically custom-built. The following information will give you an idea of the numerous options. At any point in your planning process, please feel free to call and schedule a tour of our facility after which we will gladly send you a proposal based on your specific preferences.

We recommend beginning with your activity choice(s); move on to your space requirements, meal/beverage service and any extras (table and chair rentals, cleaning fees, etc.) that may apply.
